## **Please take the time to read Both Sides**

Due to ongoing changes and restrictions with requirements regarding simulation we will no longer be offering simulation, we are sorry for any inconveniences this may case you, but it is necessary to stay within state requirements

From now on all officers will be required to go to the range to do there Firearms Requal

### **Requirements and Questions answered**

\*You must requal once every 6 months to keep your firearms permit up to date

\*You are required to shoot 50 rounds for each caliber you wish to have on your firearms permit

\*You will need to bring all firearms required to requal needed to cover all calibers on your permit to the range UNLOADED

\*You will need to bring a duty belt, keepers, and a holster for each caliber you will be qualifying with

\*You will need to bring 3 speedloaders or 3 clips for each caliber you will be qualifying with

\*You will need to attend the 2 hour class before you go to the range, at Active

\*If you do not have guns for the caliber on your card and you wish to keep that caliber you will need to make arrangements with the range to rent one, and may be required to purchase there ammo

\*You can not make up any shoots so it is as always, important you do your shoot on time, allowing yourself extra time in case you don't pass to requal again before time runs out.

\*If you do not pass the first time you may requalify a second time for each caliber you failed with once that day for \$30.00 each, if you still don't pass you have 30 days from that date to come back in and pass, but keep in mind your shoot time, if you requal past your required time the state may not renew your permit

\*Yes of course you need to pass with a score of no less then 200 out of 250

\*Yes you will be timed and scored

\*Yes you can reduce the calibers on your card, however if you do not requal with that caliber you will not be able to carry that caliber any more

\*Every two years at renewal time in addition to your 2 hour class and requal you have your written test, yes its the same test and yes you have to do it its a requirement and yes you have to pass it....

\*Yes we will continue to send you reminders to do your requal, however remember you are responsible for your permits, so if you move, or do not receive the reminder, or forget, you are responsible to make sure you get in here on time.... set your phones to also give you a reminder notice an extra reminder wont hurt

\*Yes we have eye and ear protection for you to use, however you may want to consider investing in a set for your self and bring with you

\*Yes we will provide you with a target

\*Yes with the cost of your requal we will provide ammo needed to requal with for 9mm, 40, 45, & 38
